Our Mission Statement

It is our mission at all times is to provide superior patient-centered health care services for our clients in their homes. We will always commit to help our clients achieve the highest level potential in their day-to-day living. We promise to deliver on our mission through a team of caregivers and staff who themselves are deeply committed to the highest quality of client-centered service. We will always stand by our service, our team and our clients.

WE GUARANTEE OUR COMMITMENT THAT OUR CLIENTS GET THE BEST QUALITY CARE THEY WANT AND DESERVE

IF FOR ANY REASON YOU ARE NOT SATISFIED WITH THE CARE WE PROVIDE ON ANY SHIFT, WE PROMISE TO MAKE IT RIGHT

We passionately focus on the specific personal needs of every client we serve.

At SpectraCare®, we take pride in delivering the best home care experience at the best possible price. Our compassionate caregivers deliver a spectrum of exceptional care. We offer you the best quality trained care staff.

Our caregivers are chosen through a rigorous selection process and then they receive extensive specialized instruction in our award winning training program. We carefully assess each client to ensure that they are matched with the appropriate home health professional. We carefully screen hundreds of applicants to find responsible, flexible, dependable, and patient human beings with a sincere desire to care for others. We choose individuals with excellent communication and problem solving potential, who can adapt well to new clients and situations. All of our applicants undergo complete criminal background checks and drug screening and are bonded and insured for professional liability and workers' compensation.
